The Process:

Tools: Bible, Journal and copy of “The Pursuit of God”

Read the assignment in preparation for each meeting.

As you read, highlight significant passages.

Take the time to read the scripture in your Bible.

Pray these passages over yourself.

Journal the impact and personal meaning to you.

At each meeting, we will go through chronologically the assignment and share what impacted us and what God is doing in your hearts. It will also be a time of sharing any action points the Lord asks of you.

Please! No teaching or preaching allowed! Only personal application. Share our limited time with others!
